

Arapahoe Charter School Upgrades to SwiftK12, Saves Hours of Staff Time Each Day

Customer Since: April 2015
Upgraded to SwiftK12: February 2017
Current Status: 100% Satisfied

“The biggest benefit from **upgrading to SwiftK12** is our ability to send messages that are much more targeted.

The **simplicity** and **integration** allows us to create any list we need.

SwiftK12’s **support is outstanding**. They’re quick to respond and very patient.”

– Greg Rohrman
 Arapahoe Charter School

New! SwiftK12 for PowerSchool Users

SwiftK12 is the next generation of Alert Solutions’ award-winning school notification system. With real-time access to parent contact information, SwiftK12’s **PowerSchool integration** ensures schools can maintain effective and frequent parent communication.

Hundreds of customers have already made to switch and report very positive experiences with SwiftK12!
