

SwiftK12 Awarded All 3 Integration Badges in PowerSchool ISV Partner Program

SwiftK12 is the next generation of Alert Solutions' fully-integrated school notification system for PowerSchool users.

Rhode Island - Alert Solutions, a leading provider of award-winning school communication technology and subsidiary of [SwiftReach Networks](#), is pleased to announce its newly released [SwiftK12](#) school notification system received all three integration badges under PowerSchool's ISV Partner Badging System.

PowerSchool's [badging system](#) is comprised of three levels and tests for compatibility using single sign on (SSO), having a streamlined user experience, and offering seamless data exchange capabilities.

Single Sign On

Streamlined User Experience

Seamless Data Exchange

[SwiftK12](#) builds upon Alert Solutions' tight integration with PowerSchool while debuting new features including a hotline call-back option for parents and streamlined automation for attendance, lunch balance and low grade alerts. Backed by SwiftReach's [Notification Delivery Network](#) (NDN™), SwiftK12 users experience mission-critical message delivery speeds along with the reliability of a highly-secure and fully-redundant network.

"We are proud to be recognized for our seamlessly integrated K-12 solutions within PowerSchool," said Kevin Alward, CEO of Alert Solutions. "This achievement reinforces our commitment to providing effective and affordable school communication solutions while delivering the highest quality products and customer experience."

Alert Solutions was [acquired by SwiftReach Networks](#) in January 2016 and currently serves more than 1,100 school districts and over 2.5 million students worldwide.

About Alert Solutions

Alert Solutions, a subsidiary of SwiftReach Networks and PowerSchool ISV partner, provides a dynamic cloud-based multi-channel messaging technology, mobile apps and web services for customers in education, leveraging its robust platform of email, voice, social media and SMS text messaging. Alert Solutions ensures communications are transmitted efficiently and securely, enabling school districts around the world to relay important information to their entire school community.
